PIRTEK

REPAIR DAMAGED HOSES... REDUCE DOWNTIME

Introducing

LIFESAVER REPAIR FITTINGS

- SAVE TIME
- REDUCE COSTS
- REPAIR ON-SITE

A PRACTICAL ALTERNATIVE WHEN ORIGINAL HOSE ASSEMBLIES ARE UNAVAILABLE.

Traditional brazing of A/C tubes onto braze fittings requires precise heat management & specialised filler rods and is a multi-step process. The Pirtek LIFESAVER A/C fittings form a mechanical, braze-less pressure connection system that eliminates any risk of thermal damage or distortion to the material.

Combined with our clamp style retention, eliminating the need for specialised crimping tools, the patented LIFESAVER fitting system used with our FG100 multi-refrigerant hoses allows an A/C assembly repair to be completed in less than 10 minutes.

STRAIGHT FITTINGS

PRODUCT CODE	TUBE DIAMETER	HOSE STYLE
ACLS1-0506 †	(7.6-8.5) No.5 / 8mm / 5/16"	06-5/16"
ACLS1-0606	(9.5-10) No.6 / 9.5mm / 3/8"	06-5/16"
ACLS1-0808	(12-12.7) No.8 / 12.7mm / 1/2"	08-13/32"
ACLS1-1010	(15.8-16) No.10 / 16mm / 5/8"	10-1/2"
ACLS1-1012	(15.8-16) No.10 / 16mm / 5/8"	12-5/8"
ACLS1-1212	(18-19.1) No.12 / 19mm / 3/4"	12-5/8"

FITTINGS AVAILABLE IN
Straight, 45-degree and 90-degree fittings for aluminium, steel and copper tube assemblies.

45 DEGREE ELBOW FITTINGS

PRODUCT CODE	TUBE DIAMETER	HOSE STYLE
ACLS4-0506 †	(7.6-8.5) No.5 / 8mm / 5/16"	06-5/16"
ACLS4-0606	(9.5-10) No.6 / 9.5mm / 3/8"	06-5/16"
ACLS4-0808	(12-12.7) No.8 / 12.7mm / 1/2"	08-13/32"
ACLS4-1010	(15.8-16) No.10 / 16mm / 5/8"	10-1/2"
ACLS4-1012	(15.8-16) No.10 / 16mm / 5/8"	12-5/8"
ACLS4-1212	(18-19.1) No.12 / 19mm / 3/4"	12-5/8"

90 DEGREE ELBOW FITTINGS

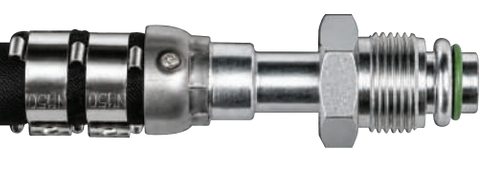

PRODUCT CODE	TUBE DIAMETER	HOSE STYLE
ACLS9-0506 †	(7.6-8.5) No.5 / 8mm / 5/16"	06-5/16"
ACLS9-0606	(9.5-10) No.6 / 9.5mm / 3/8"	06-5/16"
ACLS9-0808	(12-12.7) No.8 / 12.7mm / 1/2"	08-13/32"
ACLS9-1010	(15.8-16) No.10 / 16mm / 5/8"	10-1/2"
ACLS9-1012	(15.8-16) No.10 / 16mm / 5/8"	12-5/8"
ACLS9-1212	(18-19.1) No.12 / 19mm / 3/4"	12-5/8"

Material: Zinc plated steel EN ISO 683-4 11SMnPb37 (1.0737). † Non-stocked items, available on request.
